

Annual Open Enrollment – October 15 – December 7

You may join, switch or drop a Medicare Drug plan or Medicare Advantage plan during this period.

MEDICARE ADVANTAGE CHECKLIST

- ✓ Be sure your doctor is in the plan's network. Do the same for your dentist and other health care providers.
- ✓ Look for a plan with low co-pay maximums.
- ✓ Dental - check the plan's coverage of non-routine costs (fillings, extractions, bridges). You may have to look at the plan's Evidence of Coverage document - call our office for assistance, if needed.
- ✓ Look at plan's coverage limit for dental.
- ✓ If you travel, check with the plan's customer service number to see if you can get coverage for non-emergency medical care at your destination.
- ✓ Check pricing for your prescription drugs using the Medicare.gov Plan Finder.

PRESCRIPTION DRUG PLAN CHECKLIST

- ✓ Check pricing for your prescription drugs using the Medicare.gov Plan Finder.
- ✓ Verify your pharmacy is a "preferred pharmacy" for best pricing.
