Medicare Supplements Indiana

The following companies have been approved by the Indiana Department of Insurance to sell individual standardized Medicare Supplemental Insurance policies, also called Medigap policies.

Starting January 1, 2020, people new to Medicare won't be allowed purchase Plans C and F. If you already have either of these 2 plans (or the high deductible version of Plan F) or are covered by one of these plans before January 1, 2020, you'll be able to keep your plan. If you were eligible for Medicare before January 1, 2020, but not yet enrolled, you may be able to buy one of these plans.
