

PATHWAYS

Pathways is the name for Medicaid in Indiana for certain individuals. Start date of Pathways is 7/1/24. If you are eligible for Medicare, Pathways is secondary to Medicare. It provides benefits like Long Term Care, Dental, Vision and Extra Help assistance for prescription drug purchases.

ELIGIBILITY

- Eligible for full Medicaid
- Age 60 or older

PLAN OPTIONS

These Managed Care Entity plans (**MCE** plans) will become the Medicaid provider for eligible individuals:

- Anthem Full Dual Advantage Aligned
- Humana Gold Plus Integrated
- United Healthcare Dual Complete

One of these plans must be chosen for MEDICAID coverage.

DUAL ELIGIBLE PLAN OPTIONS

Dual eligible (Medicare and Medicaid) members have these options for **Medicare** coverage:

- Medicare parts A & B + a Part D drug plan
- Any Medicare Advantage plan available in your county
- Special Needs - Dual Eligible plan
 - 2024 – If already enrolled in a Special Needs- Dual Eligible plan and eligible for both Pathways and Medicare, you are not required to choose one of the 3 MCE plans.
 - 2025 – You are not required to have a dual eligible plan from the same company as your Pathways company.

Plans can be changed:

- Within 90 days of starting Pathways
- Anytime your Medicare and Medicaid plans are not the same.

- At least once per calendar year for any reason.
- During Open Enrollment (10/15 – 12/7)

For the next few years, Medicaid providers will be considered in-network for all 3 MCE plans. Any medical provider accepting Medicaid can bill any of the 3 companies providing Pathways coverage.
